

# Road Reconstruction Is Scheduled for Oconomowoc's Wisconsin Avenue this April thru November 2008

Following are detour directions to All-American Aquatics on Chaffee Road around the reconstruction. Part of downtown will be completely closed off for part of the reconstruction period.

**From Milwaukee** take I-94 West to Hwy 16 North (Exit 293C). Follow into Oconomowoc. Go under the overpass and take a right onto the Southbound Hwy 67 Bypass On-ramp. (You should be going towards Olympia Resort.) On the far side of the bridge take a right onto Armour Road. Follow to Summit Avenue (Hwy 67) and turn right at the middle school. Continue on Summit Avenue through one stop light and a stop sign. At this stop sign Summit Avenue becomes W 2nd Street. Continue straight through a second stop sign to Elm Street and turn right. Follow to Wisconsin Avenue and turn left. Chaffee Road is four blocks down (left turn only). Follow over the hill. All-American Aquatics is on the right. (Please note: If you continue on W 2nd Street passed Elm Street you will come to a Chaffee Road – this does not connect with the road that All-American Aquatics is on – you can only get there via Wisconsin Avenue.)

**Alternate route:** Coming in on Hwy 16, at the first stoplight turn right onto the Northbound Hwy 67 Bypass/16 West On-ramp. Follow around Oconomowoc to the "Oconomowoc" exit immediately after the Ski Slide Road overpass. It will take approx. 8 min. to reach the exit (watch your speeds). This is the last exit before the expressway ends. Turn left over the bridge and follow towards Oconomowoc. Turn right onto Capitol Drive (corner at Lake Country Inn and road before Shorehaven Tower and the skywalk). Follow to Chaffee Road and turn right. All-American Aquatics is the second building on the right.
